

Our Statement of Purpose

F.I.S.H., Family Instructors of the South Hills, was founded in 1995. Our purpose is to provide information, encouragement, and support for Christian home-school families in the South Hills of Pittsburgh. While we are here to provide guidance, it is you - the parent - who ultimately makes the final decision to home school in a way that is best for your family and is according to God's will.

Proverbs 22:6: "Train up a child in the way he should go, and when he is old, he will not depart from it."
